## Warranty Statement

Dear Customer,

SAJ now offers a **10 Years** Standard Warranty for the inverters installed from August 23, 2021.

This specifically applies to SAJ R5 Series inverters.

Only this type of inverters purchased from SAJ and/or SAJ authorized distributors, sold and installed in Australia and connected to internet through within 6 months from the installation date are eligible for this 10 Years Standard Warranty.

The notice is in conjunction with the SAJ after-sales service policy and has defined the 10 Years Standard Warranty terms and conditions in detail for SAJ inverters.

Yours sincerely,

**Guangzhou Sanjing Electric Co., Ltd.**
